MARKETING AND DISTRIBUTION

Jeremy Mills Publishing can offer a marketing and distribution agreement for any title, or range of titles, whether or not it is published by the Company.

With years of bookselling experience, we are well-placed to market and distribute titles, sending them out directly from our warehouse.

In order to market titles effectively, we make full use of the Jeremy Mills Publishing website (www.jeremymillspublishing.co.uk)

and, if required, can create a new website for a list of titles we have arranged to distribute.

We also have a large number of contracts in the book trade with major wholesalers, library suppliers and the main internet booksellers.

Using our own secure payment system, we have the capacity to deal with sales queries and orders on behalf of our clients. We can also accept orders by telephone during normal office hours, fax, post and via the Internet.
